WELCOME TO LA QUINTA HIGH SCHOOL

Dear Parents and Students,

La Quinta High School has completed another successful school year and we are looking forward to an exciting 2013-2014 year. The materials included in this packet are very important and we ask that you read and understand what is included and complete the appropriate items with parent and student signatures. We are pleased that many of you are reading this through our new online registration process and encourage you to continue to stay connected to LQHS through the Parent Portal,

Our first day of school is Tuesday, September 3, 2013. School will begin at 8:00 am and end at 2:48 pm. Our goal is to have students attend class regularly so that they will have the maximum opportunity to earn good grades and to be successful. We want your son/daughter to succeed and we need to work together to accomplish this goal. Please remember that parents are always welcome at La Quinta High School and we need your support, interest, and input. It is our hope that by working together, we can make our school the perfect place for a quality education.

We ask that as parents, you take an active role in the education of your son/daughter. Please stay involved academically with your child to ensure that your student attends school regularly, completes assignments/homework on time and follows all school policies.

Best wishes for a successful year.

Denise Halstead
Principal
